

## CERTIFIED DEVICES

Certified devices have been tested certified interoperable with the Cloud Voice Platform. Each device has a defined configuration and can be provisioned by ZCorum or third party solutions. All features are certified to function on these devices (if supported by device).

Manufacturer	Model	Alianza Status	Type	Secondary Function	Voice Ports/Lines	PoE	LCD	Ethernet ports
Arris	MG5225	Supported	MTA	Cable Modem/WiFi Router	2	No	NA	4
